PRODUCT HIGHLIGHTS

EasyCrush disposable medication cups are designed for use with the Severo pill crusher, allowing for the hygienic crushing and pulverization of medications.

Pills are placed in the cup, where they are ground into a fine powder by the grinder, ensuring no mixing or contamination occurs between different medications. Once the crushing process is complete, the powder can be combined with a swallowing gel, making it easier to administer with a more enjoyable taste.

TECHNICAL SPECIFICATIONS

LARGE - MEDICINE CUP ITEM NUMBER: EC-MCL2100

Material	Polycarbonate, high impact
Unit Net Weight	2.73 grams
Bundle Net Weight	5.73 kg.
Bundle Gross Weight (incl. packaging)	6.5 kg.
Quantity	2100 pcs. in a box
Dimensions	Diameter Ø57mm x Height 28mm
Pill Capacity	1-8 pills
Type	Disposable (one time use)
Certificate	Food Grade Approval
GTIN Code	5745001384029
Country of Origin	China
